

The figure is a line graph with two y-axes. The x-axis represents dates from November 28, 2025, to December 28, 2025. The left y-axis is labeled 'A mm' and ranges from 0 to 110. The right y-axis is labeled 'B mm' and ranges from 0 to 22. Both axes have major grid lines every 5 units. Series A (blue line) starts at 0, remains flat until December 6, then rises sharply to a peak of 110 on December 7, before gradually declining back to 0 by December 28. Series B (red line) follows a similar path, starting at 0, remaining flat until December 6, then rising sharply to a peak of 22 on December 7, before gradually declining back to 0 by December 28.

Date	Series A (mm)	Series B (mm)
